

Untouched Sri Lanka

a photographic exhibition to help rebuild tsunami affected homes

www.ewenbell.com/srilanka

02 February 2005, 6pm-9pm - Zinc at Federation Square

We are seeking sponsors for this unique tsunami fund raising event

Exhibition Details:

A exhibition collection has been donated by travel photographer Ewen Bell to raise money for the tsunami appeal. Money from the event will go to Habitat for Humanity Australia to aid in the construction of homes in effected areas. The exhibition will be held at Zinc (Federation Square). All photos are to be sold on the night by silent auction.

Sponsor a Photo:

We are seeking your help to sponsor photographs in the exhibition. Each photograph displayed will be presented with an information panel featuring the sponors details. Panels are A4 sized, half of which will be dedicated to awareness of the sponsor. Sponsors are also recognised on the Auction Sheet. We are seeking \$250 per photograph sponsored. You may sponsor more than one photo.

Donate and Auction Item:

We would also appreciate your support of this event by donating an item of value to be auctioned on the evening. This helps to increase the spirit of the event and raise further funds. Every \$1000 raised means another home can be rebuilt.
